SAFE BUILT ENVIRONMENT SPEAKERS BUREAU

SN-ICC's membership contains some of the most knowledgeable building code professionals in the United States. In order to share this knowledge and promote a safe built environment in Southern Nevada, SN-ICC is creating a speakers bureau to engage the community. If you'd like to be part of SN-ICC's Safe Built Environment Speakers Bureau, please fill out this interest form and click the button at the bottom to e-mail your information to Valarie Loper, SN-ICC's 2nd Vice President.
