

**CSG Consultants, Inc.**, is a civil engineering consulting firm that works exclusively with public agencies to deliver successful engineering solutions for safe, vibrant and sustainable communities.

We are seeking a highly qualified **Building Inspector I** to join **CSG's** team in the Las Vegas area.

**Job Title: Building Inspector I (Non-Exempt)**

**Location:** Las Vegas area

**Summary**

This position is under direct supervision of the Building Official or the supervising building inspector. Building Inspector inspects building and structures in all stages of construction. Building Inspectors shall be knowledgeable in the Building, Plumbing, Electrical, Mechanical and other codes and ordinances related to building construction and have the ability to review and understand construction plans.

**Responsibilities**

- Perform field inspections of residential and commercial structures during various stages of construction and remodeling to assure compliance with applicable codes and regulations.
- Investigate and make reports on apparent violations of the applicable codes and regulations.
- Provide code interpretation to the client, building professionals & the public.
- Resolve problems and set priorities.
- Read and interpret building plans, specifications and building codes.
- Detect deviations from plans or specifications and standard construction practices.
- Maintain basic record keeping practices on paper or with a computer.
- Handle several tasks simultaneously while maintaining accuracy and attention to details in an environment of frequent interruptions.
- Work effectively with government entities, private interest, contractors and professional clientele.
- Understand and carry out oral and written directions.
- Perform other related duties as required.

**Qualifications**

- Possess an International Code Council (ICC) Certification as a Building Inspector or one (1) International Code Council (ICC) trade specific certifications (i.e. plumbing, electrical, or mechanical). All licenses must be maintained as a condition of employment.
- Minimum of 1+ years of experience as a building inspector with a private or public agency; OR minimum of 3+ years of experience in building construction related.
- Possess a high school diploma or GED.
- Possession and maintenance of a valid Class "C" Nevada driver's license is required.
- Excellent verbal and written skills.
- Working knowledge of Microsoft Office Suite (Word, Excel and Outlook).

**Working Conditions**

- Requires extensive physical exertion during on-site inspections.
- Will require physical flexibility & dexterity, including the ability to continually stand, bend, stoop, reach, crouch and climb.
- Will drive to job sites and to visit clients.

**NOTE: This is a Full-Time position with benefits.**

Benefit package includes Medical, Dental, Vision, Life/AD&D, Long Term Disability, 401(k), Paid Time Off (PTO), 12 Paid Holidays.

Salary is based on experience.
