Dear SNICC Board of Directors,

On behalf of HomeAid Southern Nevada, we want to thank you for the incredible support we continue to receive from your team. We feel very fortunate to be a part of your membership who give so much to this community. With your support, in 2018 we were able to complete four shelter build projects supporting homeless youth for Project 150, low income families for Family to Family Connection, and individuals and families transitioning out of homelessness for Neighborhood Housing Services of Southern Nevada. We are also very excited to share that our kitchen and living area renovation for Living Grace Homes will begin next month.

It is because of organizations like SNICC that our homeless, displaced, and at-risk families in our community are safer, have improved living conditions, and ultimately have hope for their future. We thank you for the generous donation and hope that you know how crucial the Southern Nevada International Code Council is to our continued success in not only building and completing major shelter build projects, but to our outreach programs. Below is the donation information along with our Tax EIN number:

Tax ID: 87-0726382

Donation Date: September 8, 2018

Donation Value: \$20,000.00

We thank you again for your continued support of our mission as we serve Southern Nevada's homeless, displaced, and at-risk families.

Sincerely,

Liz Sedeno
Program Manager
