

Job Description – Building and Safety Plans Examiner

Willdan has been a consistent industry leader for 54 years providing all aspects of municipal and infrastructure engineering, including **building and safety**, public works, public financing, planning, and construction management services. Our team of Building and Safety professionals maintain current certifications and attend training on a regular basis, to stay current with industry technologies and standards.

Willdan Engineering currently has an opening for a **Building and Safety Plans Examiner** in our Henderson, Nevada office. The qualified individual will be responsible for plan review of residential, commercial, industrial and other structures.

Job Requirements

Requirements for this position include:

- Minimum 2 year Plan Review Experience
- ICC Plans Examiner Certification
- Thorough knowledge of building codes
- Excellent oral and written communication skills
- Municipal experience preferred

Willdan offers competitive salaries and comprehensive benefits, as well as opportunities for growth through advancement within engineering disciplines, management opportunities, and cross training in a number of other disciplines.

For consideration, please send resumes to ecope@willdan.com with “PlnsEx” in the subject line.

EEO Non-Discrimination and ADA Reasonable Accommodation Statement:

Applicants are considered for all positions without regard to race, color, creed, religion, age, national origin, alienage or citizenship status, gender, sexual orientation, gender identity, marital or partnership status, disability, military status, veteran status, pregnancy or predisposing genetic characteristics.

Willdan does not discriminate on the basis of physical or mental disability where the essential functions of the job can be reasonably accommodated. Determinations on requests for reasonable accommodation will be made on a case-by-case basis. If you need reasonable accommodation for any part of the application and hiring process, please notify us.
