HOW ACE BENEFITS YOU

- **Workforce Development**
  - Build your workforce by creating a foundational relationship with students through high school, college, and beyond.
  - Local high school students typically stay in town long term.
- **Mentorship and Leadership**
  - Create meaningful relationships with eager high school students that will eventually be in the industry.
  - Provide younger employees an opportunity to lead groups and practice leadership and management.
  - Improved public speaking and presentation skills.
- **Industry Partnership**
  - Work with many other people in the industry and build relationships throughout.
- **Brand Recognition**
  - Brand recognition through ACE events and sponsorships. Logo posted to sponsor boards and website.

HOW CAN I GET INVOLVED?

- **Mentors**
  - Full-time mentors to attend and interact with the students at 9 sessions at Simpson Strong-Tie, LVA or ATECH
- **Board Members**
  - Attend a one-hour board meeting virtually once per month, help with mentor recruitment and fundraising outreach
- **Sponsorship / Donation**
- **Host a Field Trip**
- **Host an Internship**
- **Be a Guest Speaker**
- **Participate in Trades Day**
- **Help Us Spead the Word!**
